RE note 12/11/07 filed

violation

Defendant's Action filed in different jurisdiction on offense grounds of legal violations against the hybrid Plaintiff James K. Ray also Joseph  
James Jr. who was an orphan and is U.S. educated, with management Graduate degree, et al in academic faculty and trained as a clergy who  
is disabled but was as a noble priest or a PRIEST in different legal jurisdictions including D.C. case in Washington and in N.Y.  
New York City. His past time work activity is administration management of finding roots of GODS OF MANY FAITHS AT TIMES VERY  
RISK AND CONFLICTING WITH OTHER FAITHS. WHICH RESULT IN RIOTS AND UNLAWFUL DISTURBANCES ALL OVER THE WORLD. The relation  
other faiths, Gods' theme intended by People in ages, GODS and People are the interlocking keys of research of the Priest and he is a strategic  
social reformer writer in social environments. The priest thinks that Time God is a Democratic meaningful terminology beyond any  
just faith as conclusions on the here but gods terminology closely relates to Godhood in people of all faiths. Gods have the functioning through  
H.E. and God is gradually filling in Democratic establishments all over the World as with the advance of modern technology and use of high  
speed computers in rich nations, the term Superpower has been changed in all democracies and Human Gods, may be one like George W Bush at  
we emerged in Human Administrations, such figures have reduced power base of Gods.  
we have historical substance, say in some armed freedom struggle in British India and elsewhere. History and centuries old papers and  
old manuscripts or Quaint old British Empire, often used nationalists as terrorists or traitors are universally accepted with substance that  
its administrators and common folk take faith to perform many acts in standing in public with Gods associated for some value etc. That  
people are aware beyond doubts. A time had passed that they were mostly freedom fighters. Modern democracies are dominantly religious  
and, although major powers like to declare themselves as secular, but Christianity is diverse shapes & categories, dominate major power blocs  
a deep. Some Hindu religion make major problems in non Hindu minority in every possible way. Hindus may not admit the facts, but created  
for Nations, are submitters, and such nations prefer to wear masks to cover their inner feelings towards minorities of diverse faiths for many  
real actions and purposes. It is a very sad sign to note that many Christian dominated nations in west and most of their populations of citizenry  
without disclosure in public that the Islam faith based nations generate most terrorist, and the author realizes. Now is the true time to interest  
Japan seemed to have in action in conductance of multi faiths.  
and Democracy, the prime function of Humans with blessings of regional Gods. And administrations generated smaller Human Gods in Dialects of  
the world is dominated by anti democracy ethics, what the priest Garcelino Jr. call JUNGLE DEMOCRACY. The Noble Book  
written with legal substance with F.I.M. files I.P.S. U.S. Dept of Treasury. As of date of filing complaint is the First Name of S. Plaintiff with  
on Garcelino Jr. is another. The priest now legally shall represent the association and publication JUNGLE DEMOCRACY PROSE, as Honorary Officer  
in association pursuant to ERCP, ERAP laws and rules. Allegations of this legal plaintiff is Defendants violated legal rules and Plaintiff is joined  
associations of US and other Citizens of the World through W.I.I world Religious Group cited at places in scripts, and is another Plaintiff for issue  
plaintiffs of laws and damages claimed in this civil action.  
action COMPLAINTS - helps: Hon. Jury Trial Demanded Position and compensatory damages demanded, at least U.S. three  
(\$ / \$) of One million Dollars at current \$ value to be decided by the Jury at trial.

That leaders most most so called democracies treat the elective offices and power for own enrichments and or their groups to share with. The commoners of today may have to employ Trade union type practices to earn the basic rights of equity and fare treatments from State through leaderships. The commoners' rights to recall elected officials should be made easier in democratic process. The penalties for abuses of democratic power should be extended as per common criminals viz sex Offenders, ki and many kidnappers and other felons. Leadership abuses and bargains thereof should be made less lucrative. Plaintiffs as victims of abuses of democratic offices felt pains of abuses of elective offices and leaders for decades and such abuses caused damages as such compensations are demanded. Most regretful developments in Jungle democracies are petty powerfults do tend to harm lesser privileged people in democratic societies alike abuses of powerful elites. ++++++ The Democratic life all over the world has become epidemically affected with a social virus named "Jungle Democracy", as detailed in the following scripts: (2) No Nation has truly have a singular National identity rather they have truly become International democratic country, wherein national best interests are sanctioned by Superpower or Powerful International force in theme and on military considerations. Even a relatively richer Nation I in fact turned into democratically part controlled by alien powers viz Japan, Saudi Arabia, U.K and many others. Plaintiffs are pained and damaged morally and thus in effect financially Damaged due to conducts in Jungle democratic nature of most defendants along with other abuses have disciplined Plaintiffs to miserable life and condition and inflicted Damages of huge monetary amounts to be truly determined by a jury at trial. That it is unfortunate that day to day control of Jungle Democracy inflicted nation like "IRAQ", as the country is the family Partnership of USA, UNO and selectively elected Government of Iraq Republic now, the Fate of Mr. Saddam Hussein lies with many vested interests, presumably Saddam was a ruthless Dictator, he deserves true if justice of laws are acceptable ways. Saddam if convicted and awarded death penalty, the Pardoning or commuting power should be uniformly with UNO, USA and any the then Iraqi Government with veto power to each of the three apparently powerful units in matter of life and death sentence on The "Saddam Hussein", now a prisoner of U.S. Iraq joint jointly controlled. To reduce Democratic abuses on National and International platforms, if convicted, Saddam he exiled from Iraq on internationally supervised exile to a Nation outside Iraq in a country willing to shelter him. No sky may fall on people who may like him killed at any cost rather it maybe International escape from JUNGLE DEMOCRACY TO SOME TRUE DEMOCRATIC Ethics in shine standards. Save USA, SAVE IRAQ, SAVE UNO SAVE SADDAM from Jungle Democracy. +++++ Chd/Complaint: Filed in various Jurisdictions on on 12.19.2005, for various Damages on different grounds of violations of Laws, on the text of

The Real Deal

World News from New York :8.6. 2005 :: Conventional any American/ U.S GOD was made Defendant like any non\_ individual or corporate Defendants, in a Civil action in USA; as any conventional God in US/India failed to control civil \_damages\_ & individual Plaintiffs suffered:: In UNITED STATES DISTRICT Court, SDNY, 500 Pearl st, New York , N.Y 10007 , US.(CIVIL)

Leaving th other half of Justice and jail terms due to all others responsible for failures in former large business corp. : quoted from Jungle Democracy...doctrine " of Joe Geronimo Jr, an M.B.A ( State University of New York Maritime College, Fort schuler, Bronx, New York City, in USA,(SS & ID 578 88 4399) Dictatorate in Divinity etc....( in Religions, Gods, Devil, and People etc), a partly disabled worker fighting to establish workers' right in New York. USA.

The democratic rules and laws have been made virtually optional for Defendants Govt in USA &/or in India

\*\*\*\*\* The sporadic by nature of operations of Terrorisms are just a miniature form of declared or undeclared form of war against a nation , with massive Bombings of target area with population, to change or oppress target special category of weaker and poorer people, in truly divided world of of Jungle Democracy or Proxy democracy of Rich and powerful nations and allies. "Terrorism" and the word could be subscribed in modern English as "NON GANDHIAN movement of weaker oppositions world\_ wide . Acts of Suicide bombers who sacrifice their own lives for their National ideology and cultural security, though somewhat fanatic, may not be perpetually be termed as sole " Terrorisms". The newer dialogue with leaders of such Groups or basic Strategists with RULERS of current admin with clear and clean intents of resolutions to regional, ethnic, religious and other issues and problems, may be of extraordinary mutual help for regional solutions of problems, for both ruling and opposition parties.

That Association or corporate Plaintiffs or under H.I.I. 2) H.I.I - WR Group are represented by Individual Plaintiffs as competent part disabled

did suffer ethics problems perhaps overlooked before. The problems were identified and chief executives who were mostly founders of these large corps were solely blamed by using many loopholes of current laws. We know any law is good until changed or expired. But loophole lies in system. Say one of the best talented ex top Executives of a lately very large corp is placed before a jury of very average talent and truly incapable of grasping many issues of crime ,If at al did occur and such jury decide guilt or innocence of the accused Top executive. In fact many big businesses fail for changing ethics of shareholders, panic in business environments brought by technological inventions, social changes, war, civil wars

Plaintiffs are sad to announce that conventional Gods are losing powers to the assumed rulers & dictatorial HUMAN\_ GODs all over the World.. Conventional GODS and divinity concepts are definitely superior

Human\_Gods, in terms of Faiths, if they are not ornamental in Magical powers of Gods & pragmatic beliefs and amended time bases Faiths.. Raise SLOGANS world\_ wide that "WE WANT NATIONAL DEMOCRACY with regional autonomies, with no foreign Control" from writing of of the reverend: Joseph Geronimo Jr, aka kamal Karuna Roy Priest ( a Plaintiff) of newer people from tomorrow. The Corruptions are described in fuller text in the electronic mobile Book and Hard copy of Text Viz "Jungle Democracy..Oppression by rich and powerful People/ Nations to weaker People/alien..et al" by Geronimo. The fact most Defendants either violated laws and caused civil rights violations or neglected national constitutional laws in USA or India. Thus caused sufferings to plaintiff\_ Geronimo or chief editor the Reverend Lisa Roy as the defendants created problems for her survival in decent and healthy living. Fourth plaintiff :H I I world Religions Group suffered for loss of recognition by most of defendants. So damages are claimed as described below and above by a jury Trial.

3. **Standard of Review.** When a litigant proceeds in forma pauperis, 28 U.S.C. § 1915 provides for dismissal under certain circumstances. Section 1915(e)(2)(B) provides that the court may dismiss a complaint, at any time, if the action is frivolous, malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant immune from such relief.

4. An action is frivolous if it "lacks an arguable basis either in law or in fact," Neitzke v. Williams, 490 U.S. 319, 325 (1989), and the claims "are of little or no weight, value, or importance, not worthy of serious consideration, or trivial." Deutsch v. United States, 67 F.3d 1080, 1083 (3d Cir. 1995). A complaint is malicious when it "duplicates allegations of another pending federal lawsuit by the same plaintiff." Pittman v. Moore, 980 F.2d 994, 995 (5th Cir. 1993); see also Banks v. Gillie, Civ. Act. No. 03-3098, 2004 U.S. Dist. LEXIS 5413, at \*9 (E.D.La. Feb. 25, 2004) (duplicative and repetitive complaints are considered malicious for purposes of § 1915); McGill v. Juanita Kraft Postal Serv., No. 3:03-CV-1113-K, 2003 WL 21355439, at \*2 (N.D. Tx. June 6, 2003) (complaint is malicious when it "duplicates allegations of another pending federal lawsuit by the same plaintiff or when it raises claims arising out of a common nucleus of operative facts that could have been brought in the prior litigation") (quoting Pittman v. Moore, 980 F.2d at 994-95).

5. Pro se complaints are liberally construed in favor of the plaintiff. Haines v. Kerner, 404 U.S. 519, 520-521 (1972). The court must "accept as true factual allegations in the complaint and all reasonable inferences that can be drawn therefrom." Nami v. Fauver, 82 F.3d 63, 65 (3d Cir. 1996)(citing Holder v. City of Allentown, 987 F.2d 188, 194 (3d Cir. 1993)). Additionally, a pro se complaint can only

with dignity and etiquette of democratic norms. Democratic people mostly the coomers

often they receive deceptions in public treatments whenever help is essential for basic  
survival. Many democratic leaders most most so called democracies treat the elective

of today may have to employ Trade unin type practices to earn the basic rights of equity

Civil Complaints Docket 2

Plaintiff filed complaints to various authorities some time on issue of complaints.  
Action filed in different jurisdiction on diverse grounds of legal violations against the individual Plaintiff Jamal Kadir K. Roy aka Joseph Kadir K. who was an orphan and is U.S. educated, with management Graduate degree, et al in academic faculty and trained as a clergy who is disabled but we as a mobile priest or a PAKIR in different legal jurisdictions including D.C area in Washington and in the S.D.N.Y., New York City. His part time work activity is administrative researches of finding roots of GODS OF MANY FAITHS, AT TIMES VERY CLOSE AND CONFLICTING WITH OTHER FAITHS, WHICH RESULT IN RIOTS AND MALICIOUS DISTURBANCES ALL OVER THE WORLD. The religious figures, Gods theme invented by people in ages, GODS and People are the interlocking keys of research of the Priest and he is a strategic social reformer in social environments. The priest thinks that Term God is a Democratic meaningful terminology beyond any religious and social constraints on the term but gods terminology closely relates to Godness in people of all faiths. Gods have the functioning through H.E. and God is gradually falling in Democratic establishments all over the World as with the advents of modern technologies and uses of high speed computers in rich nations, the term Superpower has been dominant in all democracies and Human Gods, may be one like George W. Bush of we emerged in Human Administrations, such figures have reduced power base of Gods.  
we have historical evidences, say in some armed freedom struggle in British India and elsewhere. History and centuries old Empires and emperors or Queens viz. Old British Empire, often used nationalisms as terrorists or traitors are universally accepted with evidences that its administrators and common Public take oaths to perform many acts in swearings in Public with Gods associated for same sales, etc. That people are aware beyond doubts, a time had passed that they were mostly freedom fighters. Modern democracies are dominantly religion based, although major powers love to declare themselves as secular, but Christianity in diverse shapes, a categorical dominate major power blocs in days. Some Hindu religions make major problems to non-Hindu minority in every possible way. Hindus may not admit the facts, but so-called free Nations, are misnomers, and such Nations prefer to wear masks to cover their inner feelings towards minorities of diverse faiths for many legal actions and purposes. It is a very sad sign to note that many Christian dominated nations in west and most of their populations of citizenry without disclosures in Public that the Islam faith based nations generate most terrorist, and the author realizes. Now is the true time to interest common survival to learn to survive in coexistence of multi faiths.  
and Democracy, the prime invention of Humans with blessings of regional Gods. And administrations generated smaller Human Gods like Devils of politics, and the world is dominated by Anti democracy ethics, what the priest Garimino Jr. call "SINGLE DEMOCRACY. The Mobile Book Nation with legal evidence with E.I.N. from I.R.S. U.S. Dept of Treasury. As of date of filing complaint is the First Named of S. Plaintiff with as Garimino Jr. is another. The priest now legally shall represent the association and publication SINGLE DEMOCRACY, PROSE as Honorary Officer in association pursuant to FRCP, FRAP laws and rules. Allegations of this legal plaintiff is Defendants violated legal rules and Plaintiff is pained associations of U.S. and other Citizens of the World through W.I.I world Religious Group cited at places in scripts, and is another Plaintiff for issue violations of laws and damages claimed in this civil action.

 we observed failure of Defendants in all alleged fields to ruin

Both the work force and democratic leaderships. PEOPLE all over the world have many complaints about conduct of leaders in  
 or administration in affairs of Public interests of Nation as the base. Even the conducts of Hon. George W Bush may apparently show  
 of a leader based on deviation in his character much away from

Truth and integrities of an ideal and/or normal man as devoted to public interests rather diseased with epidemic proportion of many  
 this attitudes which diseases were clearly evidenced in deaths of many american soldiers over 2000 in a fake reasons or cleverly  
 ideology of Warfare in IRAQ, many and massive Civil poorer population of Iraqi Republic. Same thing of apparent wrongdoing  
 Afghanistan with losses of American commoners, in USA. George Bush as President. WE demand, as Plaintiff with prayer to courts to rule  
 that influences of average or the major faiths of Religions may not be treated unconstitutional as without religious backbone in powerful  
 leadership, political personels in leaderships in democracies may generate democratic devils for destabilization of commoners' interests
